Client: **Your name here** Project ref: **Your Project Ref here**  
Address: **Your address here**

Contact: Mark Randall  
Eagle Design + Build Ltd  
Tel: 07795 174459

Date created: **8th September 2022**  
Estimate number: **EST08092201YOU**

email: [mark@eaglebuild.com](mailto:mark@eaglebuild.com)  
[www.eaglebuild.com](http://www.eaglebuild.com)

Valid Until: 8th December 2022

Page 1 of 5

Total estimated project build duration: 14 weeks for loft and associated first floor works excluding front new study, 20 weeks for ground floor and first floor alterations. Including for fitting out as shown. House can be occupied for Phase D, accepting there will be some disruption and loss of bathroom at certain points. If both projects carried sequentially (with overlap) overall timescale reduces to approximately 30 weeks on-site.

All prices shown are EX VAT

Item	Description	Quantity	£	Client Notes
<b>Phase A: Planning Application</b>				
1A	Loft only: Application for Certificate of Lawful Development drawings, completion of application form and submission to local authority. Includes all relevant maps and local authority fee		1,545.00	Handled by Eagle.
